## WHERE HISTORY MEETS CREATIVITY

---

The Cedarburg Art Museum is dedicated to collecting, preserving, and exhibiting the art of Wisconsin, with a special emphasis on Cedarburg and its surrounding areas. Our vision is to be a preferred destination that celebrates creative expression in a historic and inclusive environment, inspiring future talent and fostering a rich, cultural community. With roots tracing back to the Wittenberg Woolen Mill in the 1860s, our museum honors the region's artistic heritage and serves as a platform for local artists to showcase their talent. We invite visitors to immerse themselves in the vibrant world of Wisconsin art, where history and creativity intersect in a captivating display of artistic excellence.

In 2024, the Cedarburg Art Museum's Palette to Plate has a fundraising goal of \$35,000. We hope you'll consider sponsoring this lovely event and spending the evening with us to support the museum's reaching its goal.
